PRE-EVENT COACHES INFORMATION – We are asking all coaches to please make sure you have entered ALL the correct information for your team. Since this event is being held during the NCAA D2 and D3 observation period, this is a Recruiting Opportunity for each player on your roster. We will be sending you an email on Friday to confirm is all your player information is in. The NCAA does not accept duplicate information from teams on their roster. The NCAA website insists that all teams have their information for Division 1 observation starting July 6th. If your team will be participating in a USJN Summer Event, please make sure you put your information in now as it can be appended to your summer events selections. If you are a parent, we insist that you ask your coach about your daughter's correct information being submitted for your team roster. Note: While this event does not require the NEW NCAA Coaches Certification numbers, we are asking that if you are planning on competing during the July Division 1 Observation period, ALL BENCH persons must have an NCAA number. If you do not, please go to their site (or the USJN registration site) and get your number for later this summer. Only those TWO bench coaches only. Both coaches (all must have NCAA numbers in the July period) will receive USJN Event Coaches Bands for entry and clearance to coach on the team bench.
