

For over 30 years Blue Star has been one of the most influential organizations in selecting and advising such publications rankings and listings as found in The Sporting News, USA Today, Naismith Trophy & All-America Committees, Gatorade Circle of Champions, and McDonalds All American Team (multiple committee members) just to name a few. These rankings and evaluations are part of our national Blue Star Report available to media & colleges across the country – which is the longest running girls' basketball service in the country.

Blue Star uses over 30 former college coaches across the country as consultants. Men/women who have sat in the stands & stood on the sidelines for at least five years as college coaches at various levels making scholarship decision are being asked to help give input on their evaluations of players for our college report.

Blue Star is proud to say that there are presently over 100 active college coaches across the country that were former Blue Star Evaluators/Consultants. There is no one in the industry as tied to the WBCA & college coaching community as Blue Star Basketball.

BlueStar Travel Team

TEAM

The Blue Star Media Travel Team program was implemented in 2007 with five clubs and has since grown to a network of nearly 50 programs covering over 30 states/provinces across North America. Blue Star/USJN has always taken great pride in being one of the highest quality providers in girls' basketball and the travel team program is no different. While other sponsorships have different directives/motivations ours has been simple:

- 1) Find programs with consistent college level prospects that can compete annually on a national stage
- 2) Provide geographic diversity. We have sought out to secure numerous long standing organizations with decades of history in girls basketball. We also continue to find the next generation of grassroots leaders within our sport and help fuel their passion for our game. Any questions/inquiries about our program email: cmennig@bluestarbb.com

States represented
in the BSMTT Program

U.S. Junior Nationals is one of the longest running organizations in girls' basketball operating travel team tournaments across the country since the mid 1980's. Over the course of the past three years USJN has organized nearly 150 travel teams tournaments covering over 20 different states. During that span over 11,000 teams competing in their events, and over 10,000 college coaches of all levels were in attendance.

In 2011 we were proud to announce the launch of Blue Star Media. The non-for profit serves as an entity of our operations to provide columns, event coverage, recruiting guidance, etc. for the grassroots basketball community to visit. We are continuously striving to enhance the site with the most updated and relevant information. We hope you will become a daily visitor as we continue to bring the most authentic grassroots basketball coverage to the forefront of the sporting world.
