A committee of 6 National evaluators with nearly 100 years of women's basketball combined experience put this group together. They include the three top national scouting services as well as, 3 of the 24 McDonalds All American Committee voters

We are proud to say they have all committed to attending again next year!!!

This was a competitive field & we all know it is just one day in these young players' career - so as nice as it is to be named to these types of lists, there is a lot of basketball still to be played by everyone.

We look forward to seeing you on the court down the road & how your game progresses.
