

Good morning. I wanted to touch base with a few reminders for the weekend at UMKC – Swinney Rec Center.

1. There is a major race going on in KC tomorrow morning and the race route surrounds UMKC's campus. Please make sure you give yourself plenty of time to get to campus and communicate that with teams, coaches, officials, and spectators. I've attached the map to this email again for your reference.
2. Everyone associated with the tournament should park in Lot 38. Parking map attached for reference.
3. North Lobby doors will be unlocked at 7am each day.
4. No food or drinks other than water with a cap is allowed in the gym area. All other items need to be consumed in the North Lobby.

Dear Residents and Business Owners,

The 45th Annual Hospital Hill Run –KC’s longest-standing race –will be held on Saturday, June 2, 2018. Thank you for the support you’ve shown us in the past! PLEASE READ the information below to see how the race will affect you that morning.

ROAD CLOSURES: In effect from 6:30am to 11:30am. At 6:30am, police and event personnel will implement a soft closure for the entire course (drivers should expect to wait). All streets along the course will fully close at 7:00am when race begins. The streets will open on a rolling basis as soon as all athletes have passed and course materials have been removed. See flip side for complete road closure schedule and course map.

Those who live or work near the course are urged to plan ahead and use alternate access routes. Business owners are encouraged to review the course map and coordinate delivery services around the road closures. Event information will be uploaded to the Waze Navigation App. Download this free app for instructions on how to get around the course on race day.

GET INVOLVED: If you don’t plan on running, we’d love to have your help as a volunteer! Volunteers receive a t-shirt and free pancake breakfast at the race. Sign up at hospitalhillrun.com/volunteer

All athletes and Hospital Hill Run crew will do everything we can to respect the community. We are guests in your neighborhood; thanks for hosting us!
