

The city parking garage right next to the Baird Center is offering a reduced parking price for the first 300 people that pre-order at \$20/day where you get to come and go.

The norm during events in that area is \$30-40 is what I have been told. See the directions and links below to purchase in advance.

Don't delay as these will fill up quickly with 300+ teams! First come first serve.
Good luck this weekend!

Here is your discounted parking link:
